

Module 7:

Interview Skills

Module 7 Homework

Module 7 Homework has two parts.

Part 1: Conduct a one-way video interview using Interview Stream. See COOP 120 Syllabus for Interview Stream instructions. Use your webcam and audio on your laptop as we want to see and hear your answers.

Part 2: As a preparation for the employer panel that will be happening in COOP 130, please submit a minimum of five questions that you would ask a future employer if you were to meet them at a job fair. Your questions can range from what do you look for in an employee to what does the onboarding look like at your company. Please type your questions below.

1. What would my average day on the job look like?
2. How would you describe the atmosphere around the workplace?
3. How is the company working to diversify their team?
4. Is there much upward mobility within this org?
5. What makes you look forward to coming to work in the morning?
